Butter Cream Bakery - Overview

Butter Cream Bakery is a result of years of baking experience and encouragement from friends and family - a passion that has been nurtured to make a wholesome product that has quality ingredients for everyone who desires something more at a competitive price.

These beautiful hand-crafted cakes will make any party come alive - they taste delicious as they are made to order with fresh ingredients and no preservatives.

Our cupcakes and cakes are made with real butter or canola oil, real chocolate and the best quality cocoa and extracts to flavour them wherever possible. All the toppings are handmade and edible. Each butterfly, rose and blossom is painstakingly tinted and crafted by hand to make each and every product unique in taste and appearance.

Butter Cream Bakery - Overview

Here's what sets us apart:

- ★ *Quality and freshness are of utmost importance to us. We have no stockpile in our freezer... our cakes and cupcakes are baked fresh because they taste better that way.*
- ★ *We value our clients. When you give us a call, you'll speak with the person who will actually be making your cakes and cupcakes.*
- ★ *We bake old-school style and hand-craft from scratch - no shortcuts!*
- ★ *Ultimately as they say, it's all in the taste and that is what we endeavor to give you . . .*

*A little
bite of pure
joy!*
